Job Responsibilities:

Equity & Justice

- Ensure commitment to a just and equitable food and farm system is upheld within the organization, including through hiring, management, continuing education and professional development, marketing and community engagement.
- Accountability is key to equity work; value open communication in every direction.
- Ensure that diverse voices are integrated at all levels of the organization and model cultural competency within the staff, Board, and collaborations with other organizations.

Strategic leadership, governance and oversight

- Provide inspirational, operational and strategic leadership in support of Groundswell's vision and mission.
- Cultivate and oversee the active engagement of all Groundswell leadership with collaborating organizations and stakeholders, prioritizing relationship building with multiracial and multicultural groups and people.
- Maintain strong and open communication with the organization's leadership, staff, and community; involving all stakeholders in strategic planning, fundraising, and organizational equity & justice work.
- Develop and oversee rigorous evaluation of Groundswell's impacts on trainees/participants, the community, and the region; effectively communicating those impacts.
- Assess, strategize, and develop an organizational communication and outreach strategy that improves Groundswell's messaging about what we do, what we stand for, and how to support us.

Finance & Development

- Develop and oversee the organization's budget and bookkeeping.
- Develop organizational templates and policies related to budget and expenses.
- Work with staff and Board to lead fundraising and development efforts:
 - Set annual goals and accountability measures, secure donations, build donor relationships, and strategize organizational development
 - Work closely with the Board and Development Committee to identify and develop individual, business and community prospects
 - Identify and procure private, State and Federal grants; oversee grant management.

Human Resources

- Supervise and support all Groundswell employees through regular, open, transparent communication, by fostering a positive and comfortable work environment
- Provide supportive feedback on staff performance.
- Develop and oversee organizational policy and procedures including basic human resource systems, working closely with the Board, and any additional Independent contractors.
- Work with insurance brokers on Health, Liability, and Directors' & Officers' insurance policies.

Program Development

- Manage current and future organizational program development in line with Groundswell's mission and core values, in support of racial equity & other efforts towards social justice within farming and food systems.
- Develop equitable and socially-just land access and land-linking efforts for Groundswell and regional beginning farmers.

How to Apply: Please provide a cover letter and résumé to the Executive Search Committee at [hiring@groundswellcenter.org](mailto: hiring@groundswellcenter.org). Be sure to address in the cover letter and résumé how your work and lived experiences speak to the Groundswell Center's core values.

Additional Notes:

Groundswell is an equal opportunity, living wage employer committed to maintaining and increasing diversity within our organization and in the regional food system. Employees are hired based on their merit, ability, experience, and training without regard to race, national or ethnic origin, religion, age, gender, sexual orientation, or disability. People of color and persons of diverse cultural backgrounds are encouraged to apply.

Special Requirements: As a mission-based and community-involved organization, Groundswell staff positions require frequent flexible hours, including some evenings and occasional weekends. However, to balance this requirement we also strongly support a work-life balance and offer competitive Paid Time Off benefits.

This position requires a valid driver's license as frequent travel is required within a 50 mile distance from Ithaca. Owning a car is not required.
